

Roadmap Partner API

Differences of versions Alpha-1.5 to Beta-0.5

Apr 1, 2025

Summary

Breaking changes

Some response formats were changed and properties have been removed that may impact your existing APIs.

	Change	Request	Response
1	'day' field was removed from the daypart objects	GET /partner/facedata/byld	Removed: 'day' field from all daypart circulation data
2.1	Response format change in API: GET /partner/facedata/byld Property: 'digital/screen_impressions/in_market_total'	GET /partner/facedata/byld	Removed: 'digital/screen_impressions/in_market_total'
2.2	Response format change in API: GET /partner/facedata/byld Property: 'digital/screen_impressions/in_market_total'	GET /partner/facedata/byld	Removed: 'digital/screen_impressions/in_market_total'
2.3	Response format change in API: GET /partner/facedata/byld Property: 'digital/spot_ad_play_impressions/in_market_total'	GET /partner/facedata/byld	Removed: 'digital/spot_ad_play_impressions/in_market_total'
2.4	Response format change in API: GET /partner/facedata/byld Property: 'last_updated_at'	GET /partner/facedata/byld	Removed: 'last_updated_at'
2.5	Response format change in API: GET /partner/facedata/byld Property: 'static/circulation/in_market_total'	GET /partner/facedata/byld	Removed: 'static/circulation/in_market_total'

Non-breaking changes

New endpoints were added and new properties were introduced to the API responses.

	Change	Request	Response
3	/partner/api/player-network-calculation/{id} endpoint added	GET /partner/api/player-network-calculation/{id}	CalculationData object
4.1	Response with NEW added attributes for API: GET /partner/facedata/byId Property: 'calculation_time'	GET /partner/facedata/byId	New: 'calculation_time'
4.2	Response with NEW added attributes for API: GET /partner/facedata/byId Property: 'digital/circulation'	GET /partner/facedata/byId	New: 'digital/circulation'
4.3	Response with NEW added attributes for API: GET /partner/facedata/byId Property: 'digital/screen_impressions_pedestrian'	GET /partner/facedata/byId	New: 'digital/screen_impressions_pedestrian'
4.4	Response with NEW added attributes for API: GET /partner/facedata/byId Property: 'digital/screen_impressions_total'	GET /partner/facedata/byId	New: 'digital/screen_impressions_total'
4.5	Response with NEW added attributes for API: GET /partner/facedata/byId Property: 'digital/screen_impressions_vehicular'	GET /partner/facedata/byId	New: 'digital/screen_impressions_vehicular'
4.6	Response with NEW added attributes for API: GET /partner/facedata/byId Property:	GET /partner/facedata/byId	New: 'digital/spot_ad_play_pedestrian'

	'digital/spot_ad_play_pedestrian'		
4.7	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'digital/spot_ad_play_total'	GET /partner/facedata/byld	New: 'digital/spot_ad_play_total'
4.8	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'digital/spot_ad_play_pedestrian'	GET /partner/facedata/byld	New: 'digital/spot_ad_play_pedestrian'
4.9	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'digital/spot_ad_play_vehicular'	GET /partner/facedata/byld	New: 'digital/spot_ad_play_vehicular'
4.10	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'digital/spot_exposures'	GET /partner/facedata/byld	New: 'digital/spot_exposures'
4.11	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'in_market_percentage'	GET /partner/facedata/byld	New: 'in_market_percentage'
4.12	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'static/circulations_pedestrian'	GET /partner/facedata/byld	New: 'static/circulations_pedestrian'
4.13	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'static/circulations_total'	GET /partner/facedata/byld	New: 'static/circulations_total'
4.14	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'static/circulations_vehicular'	GET /partner/facedata/byld	New: 'static/circulations_vehicular'
4.15	Response with NEW added attributes for API: GET /partner/facedata/byld Property: 'digital/dir'	GET /partner/facedata/byld	New: 'digital/dir'

5.1	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/aims_circulation'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/aims_circulation'
5.2	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/aims_ped_circulation'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/aims_ped_circulation'
5.3	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/aims_veh_circulation'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/aims_veh_circulation'
5.4	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/height'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/height'
5.5	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/location/player_network'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/location/player_network'
5.6	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/network'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/network'
5.7	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byld Property: '/items/unit_of_measure'	GET /partner/faces/byDate GET /partner/faces/byld	New: '/items/unit_of_measure'
5.8	Response with NEW added attributes for API: GET /partner/faces/byDate	GET /partner/faces/byDate	New: '/items/width'

	GET /partner/faces/byId Property '/items/width'	GET /partner/faces/byId	
5.9	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byId Property '/items/location/updated_at'	GET /partner/faces/byDate GET /partner/faces/byId	New: '/items/location/updated_at'
5.10	Response with NEW added attributes for API: - GET /partner/faces/byDate - GET /partner/faces/byId Property '/items/no_circulation'	GET /partner/faces/byDate GET /partner/faces/byId	New: '/items/no_circulation'
